THE FALL

(PROJECTION IN CARTOON OR POWER POINT)

Marty, a funny cartoon character is seen walking along a rainbow. Suddenly he trips and falls off the rainbow, across the sky and onto planet Earth. Once he's sure nothing is broken and is ready to get back onto the rainbow, he realizes that it's no longer there. Stuck on planet Earth Marty's adventures begin and he becomes the explorer 'par excellence', as he searches for the answers to his questions and his way back home....

Narrator: Our story today opens with Marty... You'll like him... he's a funny character!

There he is walking along the rainbow!

Marty: "Easy now... watch your step...!"

Narrator Oh nooo! He tripped again!

Marty (falling): "Watch out! Here I come!
Galaxy glitter! What a fall!
Almost there..."

Marty lands on Planet Earth with a 'PLOP'.

Marty: "Ehm... let's see ... Head, hand, nose,
feet.... Measuring tools: thoughts, words, deeds...
Whew... I'm OK... boy, that was close!
Well... Let's get back home!"

Narrator: Marty turns around... The sun has come out!

Marty: "Holy Jupiter! The rainbow's no longer there!"

Narrator: At first Marty's scared!
Then he's confused!

He gets so confused that he even forgets who he is!

Marty: "Who am I? Where do I come from? Where am I going?"

Narrator: A friend comes along....

Plutarco: "What's up... what's down...? I'm Plutarco.
Who are you? Why are you here? What's your story?
This world is full of stories!"

Plutarco's rhyme/or song

*Young and old, young and old.
All have stories to be told!
That put together make a load... of experience!
Look in the mirror...
Shhh! No distractions!
You'll discover a treasure in your very own actions!"*

Marty: "My name is Marty and I'm lost sir!"

Plutarco: "Lost? (chuckle) Oh, don't worry. If you landed here there's a reason,
a purpose! Be happy! Being in this world is precious and rare! It's a
real adventure! You only need to find out which road to follow! Look
around, look within! You'll find your vision!"

Marty: "Ehm... Adventure, sir? Well, if being here is precious and rare, I don't
want to sit and stare! I'll look and see, taste and touch, think and feel,
and find out what is true and real! Are you coming along? Make it a
deal!"

Marty. "Help!!! Help!!!

Plutarco: "What's up? Crying for help? You must have just got here! My name is Plutarco...Who are you?"

It's nice to meet you! It's nice to meet you!

Hello! Hello! How do you do?

Marty: "I'm Marty and I think I'm lost sir".

Plutarco: "Lost? Oh, don't worry Marty! There are lots of roads to follow on planet earth!

Here's a map.

Marty: "Holy Jupiter! This looks more like a maze than a map! Which road is the one that will take me back home?"

Plutarco: "Uh...that's a good question. Well, what I can tell you is that if you're here there must be a reason, a mission, a vision that will guide you!"

(talking... slowly *with melody*).

MELODY 3

Look within and find your vision of the mission for today.

Make decisions with precision, see your vision grow and stay.

Step by step it will take you higher, it will lead you on your way.

Plutarco: (exits) "Have a nice journey!"

"Oh... one more thing.... Remember that all the qualities, the strength, the courage and the love that you will need are **in you!**"

END OF SCENE

THE FOREST
SCENE 2

FOCUS: THE SWATCH, THE TOOLBOX, THE KEY

Background – a thick forest - lights gradually dim and get darker as Marty walks on stage

Narrator: Marty has been on planet earth for a long time and has covered a lot of ground; travelled along streets, roads and highways but still hasn't found his way home...

Marty: "Ehm... this path isn't like the other ones.... looks more like an underground tunnel... Some call it the *inner path*... It's getting dark! But I have no reason to worry! I'm perfectly equipped. Got all the new technology this planet can offer. Satellite beamer (flashlight) minicomputer shield that can focus in the dark (helmet), digital watch that casts light 24 hours a day.... gearing compass... guides and inspires..."

Marty turns on all his gadgets, confident in their help but strange enough... nothing works!

Marty: "Oh, Com'on! Nothing's working! And they call it technology! This seems more like tricknology to me!! Hey... what's this?"

Marty trips and jumps back

Marty: "A snake.... Watch out, it's a snake! Maybe it's poisonous..."

Bending over he realizes that his senses have deceived him.

Marty: "A snake? Hmmm. Gee, looking better, I guess it's just an old rope. What a scare! Getting out of this forest is becoming more and more difficult! Maybe I made a mistake... not even supposed to be here, chose the wrong path. What a fool!"

MELODY 4 *"When I'm sad and I'm afraid and don't know what to do...
My mind in doubt, my face a pout, feeling such a fool."*

*I start the day and sit and pray... hoping that I'll find my way
And then I hear, within my ear...*

Elephant: "Take heed, Marty. Fearlessness is what you need..."

Marty: "Who's there? Who talked?"

Elephant: "...Or you'll never get out of this forest! And by the way, things appear different from what they really are."

Marty: "You're a real live elephant and you talk!"

Elephant: "Ehm... *elephant* is not the word, but I won't take it personally.
I see you just got here!

Marty: "Actually I landed on the planet quite a long time ago sir...,
can *you* lead me out of this forest?"

Elephant: "I could... but you'll need to adjust your antennas..."

Marty: "Adjust my antennas?"

Elephant: "And, well, would you follow the advice I give you?"

Marty: "I will sir."

Elephant: "I like that will. Trying is not enough! OK, I'll make an opening for you to get through. Now do one thing! Throw away your sleeping bag, you won't need it anymore. Catch me?"

Marty throws away his backpack and all other gadgets.

Marty: "I don't think I'll need this stuff either...! Wow! With all that weight off my shoulders everything feels lighter!"

Elephant: "Good. Now listen attentively. What's important is purpose, goal, focus, intention and vision... Got that? Your feelings are what count the most, you need to learn to observe and watch... Here, this will make things easier for you to remember (handing Marty a watch). An Original. You can keep it!"

Marty "Looks like a compass to me... Well, thank you."

An elegant looking mouse hands Marty a big key; a giggling monkey hands him a bag full of tools

Elephant: "Yes of course... You'll need that keyand the box will serve useful too, while you tread the path".

Marty reads out the contents of the box

Marty: "Toolbox.... The 5 D's..."

Elephant: "Now listen closely. You'll need to build your character boy... but first one should have faith in oneself. Self confidence is the foundation of the mansion of life! Remember that".

Marty: "Yes sir..."

Elephant: "Let's see... I guess that's all there is to know...
Oh, well of course.... Don't follow the body... it's like a water bubble."
And (chuckles but is firm) don't *follow the mind*... it's like a mad monkey! Just follow the Master!"

With Melody *Be confident, be sure, be happy, take the lead!*
Be character! Be Pure! In thought, word and deed.

Mouse: "In truth you know you can love and serve your fellowman."

Monkey: "With beauty in your heart, you'll know from where to start."

Elephant: *“And if goodness shines in your mind.... no problems will you ever find!”*

Elephant (and other characters) exit.

Marty: (reading the key label on the key)

“Sir? Mr Elephant....? They’re gone... left me alone again in this big, wild forest... with a key, a watch and a big bag of tools...

Marty: *“Hey look! There’s something written on this key: S. A. I.... See always inside”. I wonder what that means.... Well, let’s start looking inside ... this toolbox!*

He opens the box and takes out the ‘instructions for use’

Marty: “The 5 D’s, and more... instructions for use:
Don’t be distracted by doubt, depression, despondency,
disappointment and delusion!
Be devoted to your mission, your vision.
Use your Discrimination: watch your steps!
Let discipline mind you.... and discipline that mind!
Be determined to finish this game: never give up!
And remember, its your Duty to get back home.... “

Marty: “Wait... there’s something else hidden in here...”

He takes out a small envelope from the toolbox and reads it:

“Read me later. First get home”.
“Home” (sighs Marty).

MELODY 5

“When I’m sad and I’m afraid and don’t know what to do...

My mind in doubt, my face a pout, feeling such a fool.

I start the day and sit and pray... hoping that I’ll find my way

And then I hear.... within my ear... a voice resounding so...

“Be confident, be sure, be happy, take the lead!

Be character! Be Pure! In thought, word and deed.”

In truth, you know, you can love and serve your fellowman.

With beauty in your heart, you’ll know from where to start.

And if goodness shines in your mind....

no problems will you ever find!

END OF SCENE

COOKING LESSONS

SCENE 3

FOCUS: BALANCE, PJV HERBS (Pure Joy Values).

Background scenery: a kitchen. François and his daughter are busy cooking, baking, seasoning... One or two people (students) are watching and taking notes. A sign "COOKING LESSONS" is hung on the wall. Marty looks in through an outside window and knocks at the door.

Narrator: During his journey on planet earth Marty discovers cultures, traditions, languages, people! Different colours, forms, flavours, food!"

François: "My dear friends, always remember that ingredients are very important whenever you're cooking, baking or making anything! Never make it too salty, too hot, too sweet, too sour, too spicy, or too dull! And most of all balance everything with love!

François's rhyme: *"The secret of a peaceful life, a life so rich and smart... is whatever you do, wherever you go... use your head, your hand and your heart".*

MELODY 6 *"A recipe for life is made of part:*
Good thoughts and actions, character and heart.
But don't forget to weigh your words,
And treasure the good you've seen and heard.
Be smart! Watch!
Your words, actions, thoughts, character and heart!"

François: "Hmmm... A pinch of this.... a pinch of that.... hmmm..... looks good... tastes.... good... What about a bit of this, just a touch.... delicious...just smell that fragrance!"

The pot François is using suddenly explodes and makes a loud *Bang, Boom, Blast!*

François jumps back (talking to the pot):

“Oh no... don’t do that! Don’t do that!”

Marty: “Holy Jupiter, what happened?”

François: “I, I, I.... was distracted by the smell of it... threw in these herbs without even looking at the label! I didn’t check the clock, didn’t weigh or measure my thoughts... lost attention, forgot to watch what I was doing and mostly how I was doing it!”

Marty: “How can you watch yourself when your busy doing something? I don’t get it!”

Trainees: “You can! You Can!?”

François: “You can... I could have... I mean I apologize; I should have... I made a mistake.... My words, actions, thoughts, character and heart... must have been out of focus... well it CAN happen that you make a mistake from time to time... our senses can mislead us, our thoughts can carry us away... our opinions can be so strong that they blind us!”

Marty: “Sir... what do you do in that case? What if you do something wrong... something you’re not supposed to do?”

François: “Admit it! Apologize! Apply the neutralizing balm of Awareness and then... the lesson is over! Past is past... leave it all behind. Future is uncertain and now is the present... and it’s a real gift, isn’t it?”

Marty: “Present... a gift? Oh... well, of course! Hey, maybe we can stir this pot back to normal now? Do you think this could be of help? It’s an original” (showing his watch).

François: “A Starlight watch!” You’re a lucky guy. That’s a watch with added flavour!” A perfect tool to have on hand... I mean on wrist...in the kitchen of life. It helps you learn to balance whatever you do, think or say! That’s all we really need to know!

Marty: Looks like a compass to me. And what about that extra... flavour, Sir?

François: It is special, unique! It's a secret... hidden between the hours, the minutes and the seconds. It's hidden in your own self!

Marty: In me?

Girl Trainee: Starlight makes me think of sweetness...

François: Yes! Sweetness... serenity... steadiness.... sensitivity!

Girl trainee: Smiles, stars and sunshine!

Marty: What about silence, sir?"

François: "Silence? Certainly! And "Sorry" that's most important "S" to remember when you make a blast out of things..."

Boy trainee: "Sorry is the seasoning that brings back reasoning!"

François: "That special watch aims at the SOLUTION... a revolution in evolution!

Boy trainee: "What is it? What is it?"

Girl trainee: The solution lies in the right use of PJV HERBS!

Marty: "V for vitamins?"

François "Vitamins? Yes! Yes, my boy. Vitamins moulded, baked and toasted in Value: Truth, Righteousness, Peace, Love and Nonviolence! Ideal Values you can stand up for anywhere, at any time. Values that give flavour to everything! And do you know why? Because the trademark is PJ! They're grown in biological gardens where the soil (some say the soul) is treated with Pure Joy. So don't run after tinsel and toy, my boy... but feed your body, mind and senses with JOY! And... if you make a mistake or even two... make up for it; with PJV: a good cake or muffins will do!

CHORUS

MELODY 7

“Joy above and joy below, yes joy is all around me.

Joy in shape, in sight and sound it really does surround me.

On my fingers, and my toes, my lips and tongue and in my nose.

In what I think, in what I do, it’s everywhere, in me and you!”

END OF SCENE

SAI'S GARDEN

SCENE 4

FOCUS: WORK, WORSHIP, WISDOM (Cultivation of the heart)

Background: a magnificent garden; colourful and gigantic fruit/vegetables/plants/flowers are props, part of the scenery *and live characters*. The gardener is there working/playing with a group of small children (elves/fairies). Some are seated watching as if in school, taking notes.

Narrator: "Marty's journey continues... he has found out about the importance of cultivating PJV herbs and wants to know exactly what to do and how..."

Gardener: "Come in boy. We've just begun. Today we're talking about the meaning of life. What's your name? Where do you come from?"

Marty: "I'm Marty...I... I come from..."

Gardener: "I see...I see.... I see. Why are you here boy?"

Marty: "I've had quite a few adventures sir, you know, here on planet earth, and have come to know the importance of PJV herbs... they give goodness and flavour to everything, so I'd like to learn how to grow them sir, and make them everlasting."

Gardener "Very Happy! Very Happy!"
Planet Earth is a great place to be... but sometimes it gets dreary... you get weary... lose the way, are exhausted at the end of the day... Is this the purpose of life? Look! Look at this tree!

Elf: "It's monumental!"

Fairy: "It's strong..."

Marty: "It's full of apples! Yum!"

MELODY 8

The whole universe is a tree.

Its life's within a seed, you see.

Love is this seed, the Truth, the key,

It is the cause of all that was,

Of all that is and of all that will be.

The whole universe is a tree.

Its life's within a seed, you see.

Love is this seed, the Truth, the key,

In each small fruit divinity,

that grows and grows, to infinity.

Gardener: "Love! Love, it's the invisible thread!"

Elf: "The invisible thread..."

Gardener: "The universal glue called heart!"

Fairy: "Heart"!

Gardener: "Look around you! Look within! Nature is the best teacher!
Come up my little ones... tell us what she has taught you!"

Elf: "To exercise daily, to bend and bow ...

Gardener whispering:
"The ground is low you know..."

Fairy "To work, weed and water...."

Elf and Fairy: "Wonder and worship!"

Gardener: "Wonder! Worship! Love! The magical glue, the universal heart! Be grateful that you're here! Revere it, adore it... you'll BE it! Happy! Happy! Very happy! And tell me... what do you reap?"

Marty: "...PJV Crops?"

Gardener: (whispering) "You can't harvest them outside boy... only in the garden of your heart. *And what will the harvest be if, when the rain falls, no seed has been planted? What will the harvest be if seeds have been sowed but there is no rain? To reap the crop both are necessary: rain and sowing. In the same way, divine Grace will grant fruits only when effort has been made by man.*"

A sudden blasting sound is heard in the distance – everything trembles and tumbles. The order and beauty of the garden are upset; elves and fairies, students, jump behind bushes and run here and there crying for help. Marty is startled and looks around as Plutarco enters the scene...

END OF SCENE

THE KEY

SCENE 5

FOCUS: THE ENEMIES OF MAN, THE POWER OF THOUGHTS, THE KEY

Marty: (looking at Plutarco)

“Someone forgot to weigh his thoughts with his heart again! They didn’t choose the right ingredients.... look at the label... why is everyone so angry and distracted?”

Plutarco “Look in the mirror Marty and never forget: **Thoughts create.**”

Marty: “In the mirror...? Well, I see myself and....”

Plutarco: “Look closer Marty...look into yourself....”

Marty: “I’m looking... I see something... There it is! Nature is crying! Conflict and war exist even here, in this beautiful garden, even among friends and family! Greed, anger, jealousy, hatred, pride... look what’s happening to this beautiful world. Why?”

CHORUS (trees, nature)

MELODY 9

War is in the minds of men, the minds of men, the minds of men.

Conquer the enemies within your mind, transform humankind.

Ego, anger and desire, build that devastating fire of the inner battlefield, that yields the human mind.

Pride and envy, lust, confusion, burn in darkness and illusion...

heal the mind with love, find freedom from delusion.

If you follow the master and finish the game, peace and love will reign.

Face the devil, fight to the end, no more trouble for family or friend.

No more shame, no one to blame, no more pain...

If you follow the Master... and finish the game.

Recalling the elephant's words when he was in the forest – Marty reminds himself out loud

Marty: "Don't follow the mind. It's like a mad monkey... Now I remember..."

With confidence "Sir... I'd like to help... finish this game... but where do I start from, what are the rules and *who* is the master?

Plutarco: "Your tools Marty! They'll help you! Use your antennas and inquire! When, where, why, what, how, and who. Who are you?

Gardener: "But remember... you'll have to weed the field of growing thoughts everyday! Take out the bad ones, keep the good! Thoughts grow so fast and get caught everywhere. They carry you away, take you high and low, move you back and forth as they come and go... if you don't unravel them in time!"

Fairy: "If you don't this beautiful garden becomes infested and can turn into a crazy battlefield!"

Marty: "Yeah... full of mad monkeys!"

MELODY 10 *Your mind is a bundle of thoughts...*

watch out or you'll get caught.

Your mind is a bundle of thoughts,

watch out or you'll get caught.

There it runs, up and down, right and left, and all around.

In and out, it comes and goes...

Until you know that there is nothing to know

with your mind. It's a bundle of thoughts!

Background voice: Watch out! Or you'll get caught!

On stage the characters dance and play with a bundle of threads (colourful strips of cloth) that are taken out of the bundle one by one. After the song is over you hear voices in the background: PULL! PULL HARDER! LET THAT ONE GO! DON'T BE ATTACHED TO YOUR THOUGHTS! LET 'EM GO!

THE RAINBOW
SCENE 6

FOCUS: HARMONY, HEART, THE MASTER, UNITY, PURITY, DIVINITY

Background/scenery: Marty is seated on the floor amid the coloured strips of cloth – the bundle is now a soft cushion on the floor. The image of a door is projected on the wall.

Marty: “That **was** a tug of war... but now I feel light all of the sudden. Even this key is lighter than ever! I wonder what door it’s supposed to open...

A child-angel walks up to Marty and gently gives him a daisy. The big door in the background is now seen as made in the shape of a heart. It opens softly and a magnificent sun illuminates the threshold.

The child/angel: “Open the door of your mind Marty... let the sunshine take you away!”

MELODY 11 *Open the door of your mind, let the sunshine take you away.*
Open the door of your heart. Let its beauty show you the way.
Let its beauty show you the love, inside, around, below, above.
Let its beauty show you the way of truth and love, so that you may,
Open the door to heaven high... open the door and fly.
Open the door to heaven High... open the door to SAI, open the door to Sai....

The song is sung by little angels and ends gently bringing quiet onto the scene.

Marty: “Sai ----- See *Always Inside*... Now I know what that means!
Marty closes his eyes. The figure of an elephant is seen in the distance:

Elephant/Voice: “Look within and find your vision of the mission for today...:

Marty eyes closed *“Now I see it. Now I know! Who I am and where to go.*

With eyes open: *In body, heart, head, hand and soul, my inner strength will glow*
and grow!

He gets up confidently and sings loudly:

Step by step it will take me higher; it will lead me on my way.

Step by step it will take me closer; it will guide me night and
day.

As Marty sings the elephant (who is suddenly seen seated next to Marty), casts an enormous shadow on the wall.... simultaneously Nature becomes alive. Flowers, mushrooms, butterflies... and the five elements sing and dance together.

MELODY 12

Flowers and Butterflies: *“I am here in the now, knowing that I am here.*

there’s no fear, in the now, all is dear, and I bow.

The 5 elements

I am here in the now, all is near, I know why.

In the now, all is clear, and I know that I am I.

Marty gets up and dances with Nature.

Marty: “Everything’s awake! I’m awake! Everything’s awake and it all feels so good, safe and peaceful And everything’s connected! It’s like when you finish a puzzle... no more pieces laying around! No more distractions, confusion... It all has its place and purpose!

On stage or by means of some sort of game of light the elements become colours and the colours give birth to a rainbow. A rainbow appears in the sky as well (projected as background scenery) but a rainbow – or the colours of the rainbow also envelope Marty with its splendour. Suddenly it all merges in one white Light.

In the whiteness a background voice is heard

Voice: "ALL is ONE Marty."

Marty: "Who is it? Who's speaking?"

Voice "It's me".

Marty "Who is me?"

Voice "ME is ME, and I am I".

Children run on the stage and dance around Marty and the stage gradually turns into a magnificent garden full of live flowers, trees, butterflies, elements, the sun... etc. Marty sings along

MELODY 13 *I am me, I am I. The love I feel in me is real.*
I am me, I am I. The love I feel will never die.
I am me, I am I. With wings of love I soar and fly.
I am me, I am I. My name is love; do you know why?

Marty: "There's no reason or season for love! "

MELODY 14 (Marty first... then other characters)

Do you know? Yes, I know! Truth is one and only one.
It's everywhere I go.
It's in and out, around, above, below me.
In everything I feel and see.
Do you know? Yes, I know! Truth is love and love is Joy,
It's with me all the time.
I look within, I see a glow, my inner shine.
The spark within that is divine.

A rainbow (stage prop) appears in the horizon like a bridge ready to climb back up on...

Marty: "I'm home!"

Signpost walks up "Wait Marty! You still need to see what those two extra Ds were...Marty! Remember? They're in your pocket!"

Marty takes the small piece of paper out of his pocket and reads:

Marty: Read me later... first get back home... (Opening the envelope... he continues to read) ...two extra Ds for your Desired Direction. (Finally opening the piece of paper Marty reads s): Your Destiny is Divinity.

CHORUS/DANCE ENSEMBLE

MELODY 15

From here to infinity the universe is a field of energy.

And we are love drops in an ocean of love.

END OF SCENE

EPILOGUE

FOCUS: SERVICE, VISION & MISSION for TODAY

After applause children/characters start exiting but Marty suddenly and unexpectedly jumps down from the rainbow and calls them back on stage.

Marty: "Children please don't go! Now we know our vision, our mission! This adventure, this story, this experience is telling us what to do and how! If we join our forces, qualities and vision into one purpose, we can create a happy world made of love, goodness, truth, beauty and joy! A happy world that is heaven on earth! Thoughts create! Actions make! It's up to us! Are you ready?"

Children: "Yes! We are! Yes! We will!"

Marty: "Now remember the tools, the instructions and the key...
See Always Inside!
Look around and be part of it but never forget to search for the true meaning behind; when you see it, you can bring it to the surface! See Always Inside and bring out the love you ARE! We can do it! We can make our world a happy world to live in!

MELODY 16 : *A happy world a happy world, we will make together.*

CHORUS *A happy world, a happy world, our lives will be much better.*

A happy world, a happy world, will be a home for everyone.

A happy world, a happy world, one family we will be.

MELODY 17 *May all worlds be happy.*

CHORUS *May all worlds be happy.*

May all worlds be happy

Peace, Peace, Peace.
